G.O. NO. 1999

Dated 20th August 1948

[Despatch Abstract.]

Grow More Food - New Jell Subsidy Scheme - 1948-49 - (South Kanara) - Food crops for the purpose of the scheme Plantains pine apple and pappay - included.

be treated as food crops for the purposes of the accelerated scheme as now pointed out by the DSI since those that do not require watering and those that will yield only after certain years need not be treated as food crops. Board's recommendation may be accepted. The draft order overleaf is for approval.

Order

~~Fruit trees were ordered to be treated as food crops for the purposes of the accelerated scheme.~~ Under the (Cy) orders in para 13 of G.O. no. 1082 Rev dt 6.5.48 Collr can approve crops that would be treated as food crops for the purposes of the scheme sanctioned in that G.O. Prior approval of the Bd. or the Govt. does not seem to be necessary. The Bd. has not asked for the orders of the Govt. on the point raised by the Collr. Presumably the Bd. will send a reply to the Collr. on the point

The Collr. may obtain the orders of the Govt. if he has any doubts in regard to any crop.

2 Under the orders in G.O. no 1238 Rev. dt 8.6.48, fruit trees of

Enclosures:

Ref: No. V.Spl.2959/48-1, dated 7th July, 1948:

Sir,

V.N. Kudva, Esq., C.I.E., I.C.S.,
Commissioner of Land Revenue, Excise and Prohibition.

RECEIVED 12 JUL 1948 REVENUE DEPARTMENT

Sub: Grow More Food - New Well Subsidy Scheme - (1948-49) (South Kanara) - Food crops for the purposes of the Scheme - Instructions - Solicited.

Read the following:-
From the Collector of South Kanara, Ref:C.No.B6-10111-48-6, dated 11-6-48.

Ref: 1. G.O. No.1082, Revenue, dated 6-5-48 (Paragraph 13).
2. B.P. Rt. No.3419, dated 25-5-1948.

In the B.P. cited above, the Board has ordered that fruit trees should be included in the list of food crops for the purposes of the New Well Subsidy Scheme extended for 1948-49. In this district the following fruit trees are grown.

(1) Cocoanut.
(2) Plantains.
(3) Pineapples.
(4) Pappaya.
(5) Mango.
(6) Sapodilla.
(7) Jack.
(8) Cashew.

Of these, item Nos. (1) to (4) require continuous watering, item Nos.(5) and (6) require watering in the initial stage for one or two years, and item Nos. (7) and (8) do not require any watering. I may be kindly informed which of the above trees need be included in the list of "food crops" to be published with reference to paragraph 13 of the G.O. cited above.

2. I may also be informed whether the list of food crops to be published requires the prior approval of the Board or Government.

(Sd.) .. ..
for Collector.

REFERENCE:

Submitted to the Government.

2. Of the eight varieties of fruit trees referred to by the Collector, Jack and Cashew do not require any watering. Cocoanut, Mango and Sapodilla will yield fruits only after certain years and this will not meet the scope of the Well Subsidy Schemes. The Board therefore recommends that out of the 8 fruit trees mentioned in the Collector's letter, Plantains, Pineapples and Pappaya alone may be included in the list of food crops for the purposes of the Scheme.

for Joint Secretary.
